

**From:** Anthony Gallegos  
**To:** joelle  
**Subject:** US Gypsum BLM file numbers

Neil Simmons of the BLM informed me that we have referenced the wrong BLM file number in our December 22, 1997 letter. The correct BLM numbers for the US Gypsum projects are as follows:

EXP E/015/066

BLM UTU-71056

LMO M/015/075

BLM UTU-73777

Please note these BLM file numbers in our database.

A COPY OF THIS MESSAGE HAS BEEN SENT TO BOTH FILES
